| <input type="checkbox"/> Sept. 19 and/or 20 | Game Captain (All day) | <input type="checkbox"/> Sept. 19 and/or 20 | Information/"Security" (5 hr shift) |

I'm flexible and want to help out on any committee you need me—especially leading up to the fair.

I'm flexible and want to help out anywhere you need me during the fair.

I have another idea...This is how I want to help: _____

I can't help this year, but please keep me in mind for next year!

Décor and Signage Committee:

Work with committee heads to create the ambiance of the fair, including decorations and signs. This committee is for people who like to work with their hands and use creativity to make a lot out of a little.

Games Committee:

Work with committee heads to re-furbish already existing games, and create new ones. As with the décor committee, you will be working with your hands.

Outreach Committee:

Go to community events to promote the fair by dressing up, passing out flyers and playing games with the public. Also make calls to media to promote the event. Must like people!

Set-Up:

Help the day before the fair setting up and decorating.

Game Captain:

Be in charge of a game — this means identifying volunteers, training them and making sure the game runs smoothly.

Game Crew:

Collect game tickets and cash; help people to play.

Tickets/Prize Crew:

Redeem tickets/tokens for prizes.

Town Crier:

Be an enthusiastic, outgoing (and loud!) cheerleader for activities going on in your assigned area (i.e. a stage, the joust field, etc.)

Merchandise Booth:

Hawk wares! Move T-Shirts and posters by being an enthusiastic salesperson.

Information/"Security"

No guns or badges needed — just people to keep an eye on things, answer questions, provide directions and report problems (e.g. transportation requests, medical needs, etc). Look for confused people and help them find what they need!
